~~And All~~

SIGNED THIS 26 DAY OF December 20 19

  
SIGNATURE OF PLAINTIFF

I was raped while here at W.C.I, and I feel prison officials actions ~~caused~~ Before, During, and after, this situation violated PREA, prison rape elimination Act, as well as 1<sup>st</sup> 14 and 8<sup>th</sup> amendments

- A) This cause ~~me~~ me A) To not get Justice and have this Man prosecuted. (my rapist)
- B) Caused me to get Beaten up Because my confidential records leaked to inmates and staff
- C) Caused great Physical, Emotional, Mental pain throughout this situation.

My Case was substantiated By the investigators office and the other inmate was written a conduct report and Found to be guilty.

The Warren County prosecutors office Declined to Indict this Man even though he took a lie detector and there was deception indicated. The Following day I tried to report this to prison officials that I was raped namely Shift Lt Little, Case Manager Fornier and a Officer.

On ~~the~~ or around July 10, 2019 I told these officials I have a PREA complaint. Lt Little asked me did I know what PREA was I told him yes.

I was then placed into solitary Confinement and Told to wait. I assumed that I would be interviewed By someone. After close to a week and with much thought I ~~hit~~ visited the Wardens office. To them the I had a complaint IF my allegations would have been taken more seriously

that initial day there would have been a better investigation and more evidence ~~such~~ such as a rape kit, DNA and ~~other~~ other things that could have made the case against this man more solid. Instead I was left in the hole for this to brew on my mind. After some time I was then interviewed by 2 shift Captains 1 Lt and a CO. instead of prea investigators.

During this discussion with these men I tried to tell the sexual things that lead to my rape. It was clear to me during this meeting that these men did not want me to report this. They told me it was only one time and that no prosecutor would take the case. That I would have to wait in the hole while they investigated. So I could go to the hole or sign a "voluntary statement" saying there was no prea and I said this to get out the cell with this gay man inmate Freeman (my rapist) I signed because there was pressure and I didn't want to go to the hole. So I figured I'd report to someone else. Also the "voluntary statement" made no sense because A) I been locked up 14 years and everyone knows I'm not in a gang- and B) I wasn't in the cell with inmate Freeman at the time I reported. So any reasonable investigator could see this was not true.

I then called the PREA Hotline and again tried to report as well as wrote a tip to the Inst. Investigators office. At this time my allegations were taken seriously and I was interviewed by trained PREA investigators.

A few days ~~later~~ Later my cellmate inmate Harris confronted me and knew the full details of my

Confidential P.R.I.E.A statements. Inmate Harris used this information to intimidate and humiliate me. He also tried to get me to do sexual things to him. I wrote informal complaints to the investigators office asking how this man could know the full details of my confidential statements. I then filed a grievance with the Inst. Inspector who told me that it must have got passed by word of mouth because "people talk" and that during her investigation the inmate told her C.O.'s told him (see my grievance attached)

I informed the Inspector that Inmate Harris was using this information to intimidate me into doing sexual things I did not wish to do. This inmate was then moved out my cell. However 2 months later this same Inmate Harris was moved back into my cell as my cellmate. This inmate again tried to intimidate me into doing things. I went to my Unit Manager who told me he would try to get him moved but never did.

On Nov 4, 2019 this inmate confronted me that I filed P.R.E.A on "Hitler" AND Inmate Freeman (my rapist). And that "Hitler" was his "people" and I needed to tell investigators that the sex was consensual. I told him I didn't know what he was talking about. Around 9:00 lock down he became very aggressive toward me. (I know these cameras work very well so you can go and look) and told me to come into the spray room on 1B. I refused. When we looked down he attacked me punching me in the face

the slammed me to the ground and @ kept punching me and smashed my finger which is still injured.

I went to medical around 10:30pm On Nov, 4, 2019, with a split head and several cuts and Bruises, and my finger was smashed. They @ patched me up and they knew I was fighting. The CIO was gone to give me a cell move But a Supervisor "Sandman" came and told me if I say anything about a fight I would go to the hole immediately and he wasn't moving the cell. Told me to sign a "voluntary statement" in it I said "I'm not afraid of my celly and I wasn't fighting", which was true Because I wasn't scared and I didn't fight back. So I was sent to a Holding cage Being placed into TPU with my rapist. I refuse to strip out and told them All about my PREA Situation and why I was beaten up. They call and tell "Sandman" and magically I'm not going to the whole But Back to the same Block,

Inmate Harris Informed me in the celly "That's for 'Hitler' you better tell them it was consensual," I Later Found out my rapist was offering people \$500 to silence me and Beat me up.

An Incident report was written By, medical, the Block officer as well as "Sandman". My cellmate Did not have on scratch on him.

I was Beaton up two other times For me reporting I only told my "Mental Health" person Dr. Harrison. (12-26-19)

As of Today my attacker sleeps to right across from me and everytime I look out my

Door I see them evil eyes and relive the whole thing. They did move this person who was upset and Believed I told officials to Move him, He Became very verbally abusive with me and humiliated me in front of the entire Block. Saying very nasty things. AS Im walking to my cell and the whole Block stare at me I couldn't Believe this was happening.

He Also told my celly Im a Fag and a Snitch and he should Beat me up. my celly is 3 Times my size

Since I reported and Due to the leak of my case "Confidential statements" I have Been harrassed and mocked By Staff and inmates Because Im not Considered soft a Fag and a Snitch By everybody Because of me Being raped.

Although the rape was the worst thing to happen I Believe that How I was then treated By officials and inmates was just as Bad as the rape. I cant even get Justice in criminal Court even though he took a lie detector and "deception was indicated" despite the Investigator office at WCI substantiating my claims and issuing my rapist a "Conduct report" and him Being found guilty By R.I.B.

Officials were negligent on several occasions #1) I should have never been Moved to WCI, as Im From Youngstown and earned a transfer close to home. Instead I was moved Furthest From home Despite not getting into any trouble.

#2) I wasn't supposed to be in the cell with Inmate Freeman In 3D Because ~~D~~A) I Already was Found "Not Guilty" By The Rule Infractions Board For the ticket I was placed in that cell for. ~~B~~ I still have the "Not Guilty" Disposition By RIB. B) It was already passed the 30 day punishment from the time I went to RIB So I should have Been Moved to a regular Dorm at the time I was roped. C) I wrote several complaints trying to get moved out the cell with this Man. D) I have a kite from Unit Manager Grosby approving my move with his signature. But he ~~th~~ left the enforcement of the move to Case Manager Fornier who refused to honor the move. (grievance was written) (still have kite also)

#3) IF my report would have been taken seriously and I Been able to talk to Investigators as required By PREA on July 9 2019 there could have Been a rape kit and DNA and other evidence gathered. The case against my rapist in Criminal Court would have Been rock solid Instead he got away with raping me except time in the hole

#4) When I wrote the Wardens office about PREA complaints I should have Been interviewed By Trained investigators not Corrections officers.

#5) my Confidential statement about PREA should not have Been made know to anyone outside the investigators office especially not inmates who are hostile toward "snitching".

#6) I should have Been transferred after my Several Complaints to Prison officials about my safety

I wrote several people including But not limited to )  
Unit Managers, Chief Inspectors office, Bureau of Classification  
the Deputy Warden, and everybody who would listen.

#7) I wrote several complaints and grievances  
Inmate Harris should have never been placed Back  
into my cell to Beat me up for my rapist

#8) I should never have Been in the same Block  
right across from my abuser. From Dec 17 thro 26 2019  
He would never have Been able to verbally abuse me  
and humiliate me in front of everybody. And tell  
everybody all these embarrassing things about me.

#9) I should have Been moved out of this  
Situation Because I made my concerns know to  
Staff. Im known as the Guy who got raped and I  
was verbally abused physical abused By several Inmates  
I kept trying to Alert people.

I was retaliated against By Inmates and staff alike I was repeatedly humiliated about Being raped. Told I was a whimp By C.O. Shastak, referred to as the human pinyata By C.O. Miller. Corrections officers put extreme pressure on me not to report. I reported anyway and also told on those officers about how they tried to silence me. mysteriously my T.V. was Broken while in officers custody right after I reported all these things.

They threatened to place me in the hole and told me no prosecutor would take my case and it was nothing Because it was only one time. Got me to sign a statement that wasnt at all Based in fact or reality.

Once I reported 2 days later inmates were in possession of the Confidential Statements made to PREA Investigators. According to the Inst. Inspector the "C.O." told him "my prea statement was priviledged the retaliation from staff and inmates and my rapist violated the first admendment. I was called the human Pinyata By C.O. miller Because of the amount of times I was Beaten up

My cell searches and pat down were increased. I was repeatedly harrassed By C.O. Shastak. Who placed Inmate Harris Back into my cell knowing he was hostile to me about my PREA Case. prison officials knew about the grievance I wrote on this issue. this Man Severly Beat me up days after they placed him Back into my cell. Tried to pull my

pants Down saying "give me that ass" and I'm gone take that ass like Hitler did", Inmates on the yard constantly threatened me and humiliated me.

My rapist was even moved into the same housing Unit as me. he slept right across From me. Every time I went to the window and saw his evil eyes Staring Back at me I relived the whole rape.

Once he learned he wasn't Being Indicted he Began Taunting me and Laughing at me saying I liked it.

From about 12-19-2019 until 12-26-2019 he slept Directly across From my cell. On 12-26-2019 I went to speak with prison Investigator who told me they would move him. I was walking Back unto the housing Unit they told him he had to move he was very upset and Began taunting me and saying very hurtful things about the rape and saying I was a snitch announcing all this to the entire housing Unit. Everybody is Just Staring at me. I couldn't Believe this was happening.

Prison officials should have never placed me and my rapist in the same housing Unit

As of Today Jan-2-2020 I have repeatedly asked prison officials For access to the kiosk machine to exhaust the prison ~~of~~ grievance process on these issues and I'm Being Denied access to the kiosk I feel this is Because they are aware what I want to file a grievance For and why. I have Filed 5 greivances But I need to file 3 more and they won't let me on the kiosk I have Many kites to prove this.

I request P.C. status at this time.

I feel all these things should have been handled better according to PREA laws and it would have saved me a lot of distress and stopped me from getting raped and beaten up and verbally abused by inmates and staff.

I believe if prison officials would have done their job this would have been prevented. I file this lawsuit in hopes the next case is handled ~~best~~ better.

I'm writing this lawsuit against the warden who is responsible for what goes on here and I tried to alert the warden personally. Who would be responsible for ~~the~~ enforcing PREA laws.

Instead of being transferred due to my many concerns, I was forced to do something stupid just to get out of this hostile environment.

I don't know all my rights and I need a lawyer. I feel I have been wronged and I ask this court for said relief.

## KITE PROCEDURE

1. Check with your Sergeant or Case Manager to see if this communication can be handled without a kite.
2. Write only to the Department that handles the problem you have. Others will merely forward your kite.
3. State your problems clearly and completely and thereby get immediate attention.
4. Avoid duplication of Kites. Writing to more than one office about the same thing will not obtain any faster attention.
5. Kites are to be used only for communication between inmates and Institutional Staff and not for any other purpose.
